GATEWAY NURSERY

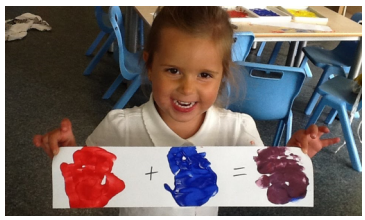
Dear Nursery Parent/Carers,

All the children in Nursery have settled in so well and I am so proud of how well they are learning to share, make friends and use good listening to take in everything about life at school.

So far we have been learning our colours, all about ourselves and The Gingerbread Man. The children have enjoyed all The Gingerbread Man activities especially baking our own. On Mondays Steven comes from Blackpool Football Club to do P.E so please remember to send your child in their kit.

Lots of the children have shown great interest in dinosaurs so next week that is what our focus will be.
Keep a look out on Class Dojo for photos of the children and to see what points they are rewarded with.

Thank you
Miss Millett



PRINCIPAL'S COMMENTS

What a flying start to term! I hope you managed to attend 'meet the teacher' last week, but if not, please feel free to book an appointment at parent's evening as it is so important to know the learning expectations of each year group and ask the teachers anything you would like to know.
The week started with a brilliant theatre production of Alice in Wonderland which has inspired some amazing artwork and exciting writing across school. Some KS2 pupils met a terrifying T-Rex at Blackpool Sixth Form as part of their topic study. Year 4 welcomed a special visit from Alfred the Anglo-Saxon who taught them all about times past. We made our own Gateway history too as the Year 4 and 5 played their first interschool football match. We may have lost but it was great to see so much resilience and desire to win on the pitch.
I would also like to say thanks to all our staff and volunteers who are kindly giving their own time to run such a fantastic range of clubs for our pupils! Just a quick reminder of our 'open door' policy, it is really important to us that we work together to achieve the best possible outcomes for each and every pupil.

Kind regards,
Mrs Gibbons
