Planned P.E. AND SPORTS GRANT SPENDING 2018/19

What is P.E. and Sports Grant Funding?

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

DfE Funding for 2018/19 financial year= £18,150

PE and sport premium 2018 to 2019

Local authority code	Local authority name	Local authority establishment number (at Sep 2018)	School name (at Sep 2018)	Total allocation
890	Blackpool	8902004	Blackpool Gateway Academy	£18,150

To achieve self-sustaining improvement in the quality of PE and sport at Blackpool Gateway Academy:

- Engage all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increase the confidence, knowledge and skills of all staff in teaching PE and sport
- Deliver a broader experience of a range of sports and activities offered to all pupils
- Increase participation in competitive sport

Blackpool Gateway Academy

Planned Expenditure 2018/19

Expenditure	Purpose	Cost	Impact
CPD from Blackpool Football Club Sports Coaches to ensure high quality teaching and learning across the school. (2 ½ days per week)	Support for PE co-ordinator to plan and monitor 3 year strategy CPD for NQT/RQT staff to ensure high quality planning, teaching, learning and assessment in all aspects of the PE curriculum . Development of intra-school and inter-school sports events and competition. Y4 Fit-to-go sessions 1 x after school club per week to increase participation in competitive sports and encourage 'active lifestyles'	£8,000	Y1 have been supported through fundamental movement and throwing and catching. Y5 have been supported through basketball, dance, athletics, invasion games, netwall games. *BFC have allowed teachers to be more confident in planning,delivering and assessing the above activities.* 17 x KS2 children attended the basketball after school club by BFC in Aut 1 20 x KS1 children attended the multi-skills after school club by BFC in Aut 1 15 x KS2 children attended the Invasion games after school club by BFC in Aut 2 26 x KS1 children attended the team games after school club by BFC in Aut 2 20 x KS2 children attended the multi skills after school club by BFC in Spr 1 21 x KS1 children attended the multi-skills after school club by BFC in Spr 2 16 x KS2 children attended the exercise class after school club by BFC in Sum 1 44 x KS1/KS2 children attended the dance after school club by BFC in Sum 1 15 x KS2 children attended the athletics after school club by BFC in Sum 2 15 x KS1 children attended the athletics after school club by BFC in Sum 2. *This shows that children in both KS1 and KS2 have been able to take part in more physical activity throughout the year, which has developed the children physically, mentally and socially. The children have become familiar with how to compete competitively with each other and other schools. This level of participation can be sustained in future years through the subject lead and our connections with BFC, Sport Blackpool and Palatine Leisure Centre.*

Welfare training	CPD Opportunities for lunchtime club to provide activities and games	£1000	BFC attended two days a week and led up to 20/30 chn in games throughout lunch on these days. *This has allowed the children to take part in more physical activity throughout the school day. The lunchtime staff, with the support of BFC, have become more confident in delivering physical activities that the children can engage in. Through this CPD, teachers and teaching assistants will be able to communicate what they have learnt to new staff to ensure it is sustainable.*
PALs Training	BFC providing in the Autumn term	Inc in BFC contract	All Year 5 children have been trained in PALS (play at lunch time scheme). The children have applied to be a PAL and their are 5 children timetabled to support KS1 children every day. *This has allowed the children to develop leadership skills and the ability to work as a team. Again, this has increased the number of children taking part in physical activity.*
Girls/Boys Football	New staff starters supporting football clubs Equipment and Kit	£500	Kit has been bought and have entered the Blackpool Leagues . *The team have played several matches and got through to the semi-finals of the cup competition. This has allowed the children to experience a different level of competitive sport, whilst developing their physical skills and qualities such as teamwork and sportsmanship. With taking good care of the equipment and playing kits, we will be able to use them for further years.*
Balance Bikes Bikeability	Half a day a week for the full year (for 36 weeks) - Friday mornings. 9.30-11.30am in 6 blocks of 6 weeks. Equipment is provided, Working with one class in 3 groups of 10 children.	£3117	All KS1 classes and nursery children 201 children have accessed and participated in several weeks of balance bikes. Y5 18 children participated in the bikeability course. 2 passed Level 1, 1 passed Level 2 and 15 passed Level 3. *This has been run every week throughout the school year and all children have gained confidence and are able to ride independently with varying distances. In*

	Plus a Change 4 life breakfast club on the same day as the balance bikes for one half term.		*order to make this sustainable, the purchase of balance bikes in the future would be required, for the teachers to deliver based on the lessons they have been involved in this year.* Both Y3 classes participated in the Change4Life 6 week course - 28 children and parents participated in the after school club. *This enables both parents and their child to consider how they can lead a healthy active lifestyle through their food choices and participation in physical activity.*
Tiny Tangerine Tots	Development of fitness, hand/eye coordination and social skills One session per week - Monday mornings	£500	The session has been split into two half hours to support the school further and able more children to participate. A total of 35 children attend nursery and have accessed the Tiny Tangerine Tots. *This has provided teachers with the opportunity to observe good practice when delivering activities to develop fitness, hand/eye coordination and social skills. They can then use these activities and techniques in their own future practice.*
Outdoor Education	4 x Outdoor Education Days with 1 instructor and 10 children on each occasion . Participation in curriculum activities and transport: Y2 Beacon fell Y3 Borwick Y4 Waddacar Residential / Activities Y5 Tower Wood	4 x £250 = £1000 £500 £750 £1,500 £2,000	Two days in the spring term and 2 days in the summer term booked in. 40 children have accessed the outdoor days from Y4 and Y5. Day trip all 60 children access Beacon fell over 2 day trips. Day trip - all Y3 60 children accessed a full day of activities on land and the lake. 30 children accessed the trip for Waddecar. The children thoroughly enjoyed it and some have booked for the Y5 residential next year. Three day residential - Nov 18 School to supplement the Y5 trip for coach and £60 per pupil. 40 children accessed this trip and forthcoming trips have been planned

			following the successful residential. *Many have accessed activities that they have not tried previously and visited out of Blackpool for the first time, furthering their opportunities and life experiences.*
Transport	To ensure children are able to participate in a range of intra competitions across the town.	£200	Already the range of outside clubs, competitions and activities entered has increased on the previous years. Whole of Autumn term = 6 intra-school events, 15 inter-school events with a total of 148 participations. Spring Term = 10 intra-school events, 27 inter-school events with a total of 301 participations. Summer Term (end of year) = 15 intra-school events, 39 inter-school events with a total of 703 participations. Inclusive of youth games. *Following all the clubs and events entered this school year Gateway has been awarded the Sports Mark Gold Award. The children are now more confident and enthusiastic when competing in competitive sport and are more understanding of following the rules in sports. They have also developed their ability to work as a team and show sportsmanship.*

Total Planned Spend £19,067
